The Hangout Price Increase - From 17th April 2023

We understand that any rise in childcare costs is not ideal but as our prices for 'The Hangout' have not increased since 2018, and due to increase in costs to facilitate 'The Hangout', we are implementing new pricing from 17th April 2023. This price increase will ensure that we are providing a safe, fun and nurturing environment for your children.

The new cost for the Wraparound afternoon provision, 'The Hangout', will be £12 per session. This is from 3.20pm – 5.45pm which equates to just under £4.80 per hour. This will be changed on the Arbor booking system.

If you are paying for your childcare through the Tax-Free Childcare Vouchers, this will continue. However, you may need to advise your employer of the change in price.

To assist you with your childcare costs, please see the links below;

If you find yourself struggling financially, please contact the school to arrange a confidential meeting to how we can signpost you towards financial support.

Thank you for your continued and valued support in this matter,

Kind regards
