Dear parents and carers,

Important messages

**Healthy Relationships curriculum online and survey available to complete
Survey opens from 12pm 12th May - 12pm 19th May**

At Talavera Junior School, we are dedicated to ensuring that your child is safe and ready for the next stage of their development. In order to do this, we teach a yearly Healthy Relationships unit, which is in addition to our PSHE curriculum. Most of the curriculum is **statutory**, except for one lesson in year 6, which explores the biological facts of conception.

We held an in-person Parent Consultation today and are now opening our curriculum more widely so that we can hear from you - the parents and carers.

Please go to the following section of the website in order to view the curriculum:

<https://www.talaverajunior.co.uk/learning/healthy-relationships-week/>

The survey, which we are asking you to complete with feedback regarding the curriculum, is accessed through the link below: -

Please be aware that, if you have children in different year groups, you will need to use different emails if you want to make comments about each one.

We thank you for your support, in helping us to deliver a curriculum which is forward-thinking and will assist in keeping your child safe and ready for life in modern Britain.

Yours faithfully,

Mrs Heaton
PSHE lead
