Dear parents and carers,

Important messages

Parents vs. Kids Cricket

On **Friday 19th May**, we will be running our first parents v kids cricket event. The children at Talavera are so excited to welcome their family relations into school.

In the morning, your child will have the opportunity to take part in a series of skills-based activities with Miss Horner and some expert volunteers. Later, they will be able to apply these skills in the parents vs. kids' cricket match! If your child is chosen to participate, they will need wear their PE kit into school. Due to the weather, we suggest bringing in warm PE clothing, as well as a waterproof. You child can wear trainers for this event.

You or another of your child's relations will be invited to attend the afternoon session which will **begin at 1.30pm** and **end at 3pm**. You will learn from your children who will be sharing all of the new skills that they have gained from their morning training session. The highlight of the afternoon though will be our **Parents vs. Kids match** when you will be able to prove that you've still got it. Who will be victorious and earn the shield?

Please be aware that spaces are **very limited** and will be delivered on a **first come, first served** basis. Let us know by Wednesday 10th May by returning this completed form if you would like to attend and **we will contact you if you are successful via email**. **Sadly, we will only be able to offer places to the first 40 parents.**

We warmly welcome any relative to attend if the child's parent is unavailable to attend.

Yours faithfully,

Miss Horner

PE lead
