

Dear parents and carers,

Can you believe that Christmas is approaching? This first term has gone so quickly and we know that everyone will be looking forward to a break.

We want to thank you for your continued support of the school and of your child's right to a full-time and high quality education. Thank you to all of our school staff who work tirelessly to ensure that your children make accelerated progress, feel safe and grow as people.

We wish you all the happiest of Christmases and want to remind you that we are here if you need us.

There are a number of events coming up—it's always busy at Christmas!

Here are some key ones:

18th December: Christmas Jumper Day

19th December: Reindeer Run

20th December: Church Service, half day & last day of school

Please make sure you are aware of any timings or additional information for these by looking at your other letters.

Reindeer Run

Your child has brought home a Reindeer Run

sponsorship form to support local Phyllis Tuckwell hospices.

Your child will be running like a reindeer around our school grounds on Thursday 19th December.

On this day, please send your child in wearing **mufti that they can run in**.

We are supporting this fantastic cause after our school community has experienced bereavements.

If you need help with any bereavements, please access support from places like: <https://www.cruse.org.uk/>

Christmas Jumper Day

On Wednesday 18th December, it is Christmas Jumper Day!

On this day, your child is encouraged to come to school in a Christmas jumper, with their normal school trousers or skirt.

They can wear a Christmas accessory too!

Your child can also have a Christmas lunch on this day. You **do not** need to pre-order. Children will order on the morning as normal.

If your child has a special diet, they will be given a safe Christmas dinner.

There won't be another food option for the children on that day.

We can't wait to see you sparkle and shine!

HAF programme

Connect4Communities runs a number of holiday clubs which can alleviate pressure for working parents during holidays. Please follow the QR code or search for Connect4Communities to find more information.

Please be aware that, whilst some clubs have costs associated, many will provide subsidised places depending on your personal circumstances.

**Holiday Activities
and Food**

Christmas can be a difficult time for families for lots of different reasons. Please let us know if there is anything that we can do to make your holiday together easier.

Healthier Together
Hampshire and Isle of Wight

Not sure how to treat coughs, colds, scrapes and sniffles?

Download the Healthier Together app or visit:
what0-18.nhs.uk

Healthier Together provides advice for parents on every common injury and illness your child or teenager might experience, including mental health problems. If you're not sure what the best way to treat something is, or whether it's time to seek help, Healthier Together has the answer.

NHS
Hampshire and Isle of Wight

Think Pharmacy First!

Did you know that you can take your child to your local pharmacy and get treatment for five medical conditions? These are:

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (aged 12 and over)

If your child is poorly with any of the above conditions, by going straight to your local pharmacy you can have a consultation with a trained pharmacist and receive advice and even medication (if appropriate) and your child can get back to school sooner.

Visit our Pharmacy First website to find out more.

Christmas Toy Drive

Donate new & unwrapped toys
for children this Christmas

Deadline: 1st December

Talavera Juniors

Gun Hill, Aldershot,
GU11 1RG

Anxiety Unravelled

Supporting military parents and children

A three-session online course

The world around us can generate plenty of uncertainty and affect the way we go about our daily lives, even more so for military families.

As the summer approaches and you begin to prepare for a move or watch those you have connected with post out, it can feel hard. You may be feeling more worried than usual or perhaps you are stuck in a growing cycle of worry and concern. **You are not on your own!**

The skills you will learn in Anxiety Unravelled will help you deal with your own anxiety and help you to help your children manage theirs.

"Learning about the strategies to help us deal with anxiety was particularly useful and I am using these to help manage my own anxiety as well as my son's."

Join Bounce Forward for a series of three 60-minute sessions to explore anxiety. The sessions will provide a space to think about your own responses and provide practical tips and advice that you can use to help your children develop their mental resilience.

Register your **FREE** place, course
starting on January 14th
