Inter-house Cross Country - Friday 18th October

On Friday 18th October 2024 we will be holding our annual inter-house cross country event. Following our unit of cross country and fitness this half term, this event is a fantastic opportunity for the children to put their running skills to the test.

This event will be taking place during the school day therefore, we ask that all children have their PE kit in school and appropriate footwear. For health and safety, we request that all children are wearing trainers.

We look forward to cheering on your children in the house event and supporting them to set a personal best.

School individual photos day - Monday 25th November

We will be having our school photos taken on Monday 25th November, please ensure your children arrive to school on time as they will have a timetable of the classes to follow. If you have siblings in our school, they will be able to have a photo taken together. However, unfortunately, we are not able to offer sibling photos of children at the Infant school at this time.

TT Rockstars

As part of our homework agreement, children should be logging onto and completing an activity on TT Rockstars at least once a week. Please ensure you have downloaded the most up-to-date version of the app to the device your child uses in order for them to make the most out of the games and activities. If they are using the website at home, please visit play.ttrockstars.com/reset to load the latest version in their device's browser. Thank you for your support with ensuring your child masters this essential mathematical skill.

Aldershot football team half term football club

Aldershot football team will be offering a 2-day football club during the October half term, taking place at The Cambridge Primary School. Please see the flyer attached for more information and how to sign your child up.

Salesian College Open Evening - Year 6 only - Thursday 26th October 5pm-7pm

Salesian College will be hosting their Autumn Term Open Evening on Thursday 24 October from 5.00pm to 7.00pm. The event is aimed at Year 6 families who are making their final decisions about secondary school applications for their son for September 2025. Please see the flyer attached for more information.

Road safety reminder

We understand that school mornings are busy, but can we please ask that you are mindful if you are driving up Gun Hill of any children on their bikes or as pedestrians. As a school, we do remind children about Road Safety and the importance of being safe, however we do know that the hill can get congested with cars parked and families travelling on foot.

Yours faithfully,
Talavera Junior School
