Dear parents and carers,

### ***Important messages***

#### ***School uniform expectations - please support our pride***

We want to thank you for your continued support of our school expectations; we know that our pupils are the kind, well-mannered children that they are thanks to you and your support.

Unfortunately, we have seen an increase in the amount of non-school uniform and would like to remind you of our expectations in this area.

School shoes are to be black. They need to fit correctly and to be securely fastened such as with a strap, laces or Velcro. We have a wonderful partnership with a local provider ShuZu so please let us know if you need support with this.

During cold weather, we know many children choose to wear underlayers. Whilst vests can be worn, no underlayer should be seen. This means that rollnecks and sleeves which cover the wrists are not permitted. Please be advised that our classrooms are very warm and, in most cases, underlayers are not necessary for children. If you need support ensuring your child has an appropriate coat, please let us know.

PE kit should be made up of a plain red or white t-shirt, along with a pair of plain black shorts. In cold weather or during outdoor PE, your child is welcome to wear black leggings or black jogging bottoms. T-shirts must be full-length.

Please also ensure that your child's earrings, if they have them, are small studs. Children should not be wearing hooped earrings. On your child's P.E days, they will be expected to remove their earrings if you haven't already done so.

Thank you, as ever, for your ongoing support. We are proud of our students at Talavera and know that having pride in our uniform is a key part of that message.

Yours faithfully,

Laura Harman-Box  
Head of School
