Monday 17th April

Dear parents and carers,

Important messages

Swimming session at Ash Grange Nursery and Primary School pool - every Tuesday and Wednesday from Tuesday 6th June 2023

Twice a week, we will be taking Year 3 to Ash Grange Nursery and Primary School swimming pool. This is a fundamental part of the National Curriculum within physical education and an essential life skill for children to learn in order to keep themselves safe. These lessons will help them to learn safe behaviours around water too.

Swimming will start on **Tuesday 6th June** and will run **every Tuesday** and **Wednesday** morning **until Wednesday 21st June**. We will take the children to and from the pool in a coach and we have ensured that a fully insured swimming instructor and a lifeguard will be poolside until we leave the water. School staff will also be at the poolside supervising the children throughout the sessions. This is a trip that is fully funded by the school so you do not need to pay any contribution.

Please could you ensure your child has a suitable swimming costume and a towel with them in a separate bag every **Tuesday** and **Wednesday**.

Yours faithfully,

Mrs A Wright
Year 3 Lead
