Friday 6<sup>th</sup> January

Dear parents and carers,

**Important messages**

**Invitation to Year 4 Maths Number Parent Workshop  
Wednesday 18<sup>th</sup> January 3:30pm - 4:15pm**

We are inviting you and your child to our maths number workshop. As you may be aware, your child's number knowledge is crucial in helping them access not only the Key Stage 2 curriculum and closing the gap in their learning but giving them the life skill of basic mathematical knowledge.

With the raised national expectation for mathematics, it is really important that our children get all the opportunities available to develop their mathematical recall. As part of this workshop, you will be provided with a range of strategies, activities and resources to help you continue to support your child at home. Your ongoing support is crucial to help your child achieve age related expectation at the end of the year.

A crèche for any younger siblings will be provided on the evening of the workshop.

Please inform your child's class teacher if your child cannot attend the workshop and another child will be invited in their place.

Yours faithfully,  
*Mrs Tichbon*

Year 4 Class Teacher
