Monday 10th October - Chessington school trip - £20

Dear parents/carers,

As part of our continued commitment to providing a rich curriculum, year 6 will be visiting Chessington Aquarium on **Monday 10th October**. Children will also be taking part in a workshop called, "Designed" to teach them about the mechanisms of a rollercoaster ride which will support them with their upcoming D&T unit. It will also provide children with an exciting and stimulating opener to their writing for Autumn 2 as we explore underwater sea creatures in the style of David Attenborough.

On the **10th October**, we plan to leave school at **8:50am** and therefore need the children to arrive in school at **8:40am**. We will aim to return to school at normal time of **3:20pm**

Due to the timing of our visit to Chessington, it may be very cold. Children will be wearing their school uniforms but please ensure your children are dressed appropriately with a warm coats if needed. Children **will** require a **packed lunch** for the day. If your child is entitled to a free school meal and you would like to request a school packed lunch, please let the office know by **Monday 29th September**.

The cost of Chessington and transportation will be **£20.00** which can be paid via **Arbor**. These educational opportunities will not only enthuse the children's learning but will also provide memorable experiences that they will take with them throughout their time in school. Without your contributions, we are unable to continue these trips so we would like to thank you in advance for your support. This is an exciting opportunity we hope every child will enjoy.

Payment for the trip will class as permission for your child to attend. Please ensure this is completed via Arbor no later than **Wednesday 7th October**.

We are looking forward to having a thrilling day!

Yours faithfully,

Miss Pinto
Year 6 Lead
